Will there be enough radiation oncologists in the next ten years?

Printed from https://www.cancerquest.org/newsroom/2010/10/will-there-be-enough-radiation-oncologists-next-ten-years on 11/21/2026

A study by MD Anderson researchers adds to the evidence that the demand for radiation therapy may exceed the capacity of radiation oncologists over the next ten years. As the population ages and minority populations grow, the demand is increasing much faster than new radiation oncologists are being trained.
