Living Near Nuclear Plant Not Linked To Increased Leukemia

Printed from https://www.cancerquest.org/newsroom/2011/05/living-near-nuclear-plant-not-linked-increased-leukemia on 11/14/2026

A new report from in the UK looking at leukemia in children less than 5 yrs old shows that merely living near a nuclear power plant does NOT raise the risk of leukemia. The study evaluates information collected over the thirty-five year period between 1969 and 2004.
