

Emory Institute for Drug Discovery Lectures

Printed from <https://www.cancerquest.org/media-center/lectures/emory-institute-drug-discovery-lectures> on 01/21/2025

CancerQuest works with the Emory Institute for Drug Discovery (EIDD) to present scientific seminars examining the process of drug discovery, testing, and approval. The chemistry of the drugs is not the focus here. You can learn about the ethics, politics, finances and legal issues surrounding drug development.

Seminars from the EIDD's 2009 series:
