Cancer Clinical Trials Save Lives!

Printed from https://www.cancerquest.org/newsroom/2017/10/cancer-clinical-trials-save-lives on 11/14/2026

When one has cancer, 'trial' can sound like a scary word. Often, patients avoid trials because they want to take a treatment that has already been approved. The reality is that sometimes, trials offer the best hope for patients. It is very important to look into possible trials when choosing cancer treatments. Importantly, different trials can be offered by doctors located in different institutions in the same area - even right down the street.

Learn about the types of clinical trials and how to find them in your area by visiting the link below.
