COVID and Cancer Patients - An Update

Printed from https://www.cancerquest.org/newsroom/2020/06/covid-and-cancer-patients-update on 11/20/2026

The COVID epidemic has impacted cancer patients in many ways.

A recent issue of Cancerworld featured several informative articles about how the epidemic has changed cancer treatment and altered patients' lives. The link below leads to one article, but there are others in the May-June issue.
