Florida-California HEALTH CENTER

CaRE² Contact Registry

Stay informed about cancer research, education, and engagement opportunities that match your interests.

Free • Voluntary • No obligation

Community Scientist Research Ambassadors Program (CRSA)

A 10-week training program that equips community members with knowledge and tools to engage in cancer research, education, and advocacy.

CaRE² Newsletter

Postbac-CaRE² Training Program

A mentored training opportunity for post-baccalaureate scholars interested in cancer research, education, and professional development.

We CaRE² Podcast

Conversations with researchers, community leaders, and advocates focused on cancer research, education, and community engagement.

A mentored training opportunity for post-baccalaureate scholars interested in cancer research, education, and professional development.

Join the CaRE² Contact Registry to stay connected to these opportunities and more.

care2healthcenter.org

Florida-California CaRE² Health Center flyer promoting the CaRE² Contact Registry. The flyer highlights free, voluntary participation, includes a QR code, and features programs such as the Community Scientist Research Ambassadors Program, Postbac Training, We CaRE² Podcast, and CaRE² Newsletter.
